Title of Structure Plan **Finalised Aberdeen City and Shire Structure Plan**

**Part 2**

Please state here what your objection or representation is about. Please refer to the paragraph number in the Written Statement with which the objection or representation is concerned.

Continued Overleaf

### Part 3

Please explain here the full grounds on which your objection or representation is made. The clearer and more complete your statement, the less likely will be the need to ask for more information. If there is insufficient space, please use a continuation sheet. If your comment relates to the information provided in the SEA Environmental Report, its addendum or other supporting document, please indicate this.

### **Notes**

1. Please use this form for making objections or representations about the structure plan. Its use is recommended by The Scottish Government to enable objections and representations to be handled quickly and effectively.

PLEASE USE A SEPARATE FORM FOR EACH OBJECTION OR REPRESENTATION AND WRITE YOUR NAME AND ADDRESS ON EACH FORM

Further copies of the form are available from the Aberdeen City and Shire Strategic Development Planning Authority, its website and at all places where the Finalised Structure Plan has been put on deposit.

2. There is a period of 8 weeks for making objections and representations. **The closing date is 24 April 2009.** Please return your completed form, before the closing date, to The Scottish Government at the address shown overleaf.
3. Copies of objections and representations will be sent by the Directorate to the Aberdeen City and Shire Strategic Development Planning Authority, and put on deposit with the Finalised Structure Plan so that others may know of them. They cannot be treated as confidential.
